

### Desired outcome of the Fast Track program (Wish)

What does the successful implementation of the Fast Track program look like? Define specific, measurable outcomes.

What specific changes are we aiming to implement, and who will be directly affected by these changes?

What tangible benefits do we expect the team to achieve through this program?

## Potential (O)bstacles to achieve the desired outcome

(P)lan how can you prevent these obstacles from arising

# FAST TRACK PROGRAM PRE-MORTEM

Describe a scenario in which the Fast Track program fails to meet its objectives.
